# CHAMPIONS IS NOW ENROLLING AT **RIEGO CREEK!**

## DISTANT LEARNING SUPPORT AND HYBRID OPTIONS!

Champions is here for you are your family during this difficult time.

- We have a clean and safe environment for children.
- All champion staff have had a background check and are highly trained.
- Throughout the day, staff will clean, disinfect, and promote handwashing during each transition.
- Daily health checks and temperatures will be taken upon arrival.
- Masks will be worn by staff and children.

During distant learning support/hybrid model, students will have a safe and quite place to do their schoolwork. Teachers will be here to assist and support your child during their learning experience.

## OUR PROGRAM

EARLY FOUNDATIONS CURRICULUM AND TECH TRACK: **STEM BASED**

Our curriculum focuses on the six domains of childhood development: Cognitive, Creative Expression, Executive Function, Language and Literacy, Physical Development and Wellness, and Social and Emotional Development. The curriculum is designed to nurture the children academically, socially, emotionally, and physically.

In addition, our Tech Track complements our curriculum and is integrated alongside it. Our STEM curriculum offers hands-on activities that allow your child to critically think and work together as a team. Your child will have the chance to create their own music, movies, and code our robot friend KIBO to dance, draw constellations and much more!
